

About Marshall Vian Summers

For the past 25 years, visionary and award-winning author Marshall Vian Summers has been preparing a New Message for humanity, which includes a series of writings about the Great Waves of change. Marshall writes and speaks on a broad range of subjects related to human evolution, relationships and spirituality. His writings and recordings are being studied by growing numbers of people around the world, with translations in many languages.

Marshall resides with his wife in the foothills of the Rocky Mountains in Colorado. He presents his message to audiences both in the United States and abroad—a message that is alarming, profound and ultimately inspiring.
